Machine Light

Tubular LED Machine Light 14 Watt 15 in (380mm)

Aven's LED machine lights are designed to provide even, ultra high brightness and a wide illumination angle for use with machining centers, semiconductor manufacturing equipment, workshops, clean rooms etc. This Tubular LED Machine Light is 15 in (380mm) in length with a diameter of 2.76 in (70mm). The LED lights provide 40,000 hours of life. The acrylic diffuser lens is crack resistant and provides even light distribution. The machine light is IP67 rated and comes with mounting bracket with hardware and a 6ft cable with 110V plug.

Key Features

- Long life LEDs (40,000 hours)
- Illuminance 530 lux at 39 inches (1 meter)
- Wide illumination angle
- IP67 rated
- Sealed to keep out fluids, chips and shavings
- Crack resistant durable acrylic diffuser lens
- Built in Ballast
